**Donate your  
doe or  
your dough!**

The Venison Donation Coalition in New York State is in need of financial donations to keep this program successful. Donations of one dollar or more can make a difference. This money stays in New York State to feed local people who are struggling to feed themselves and their families.

Ninety-five cents of every dollar is used towards processing the venison. In 2008, \$105,000 was spent on venison processing fees. Anywhere hunting and fishing licenses are sold can accept your donation. Just inform the D.E.C.A.L.S. license agent of your wish to make a donation to support the Venison Donation Program. Any donation through D.E.C.A.L.S. is deposited directly into the venison donation fund. Or, feel free to make a donation online on our secure website.
